

OUR VALUES

'We believe in a transport, warehousing and distribution business built on the principles of reliability, consistency and no fuss'

We Value and Expect;

Integrity: Act with honesty and accept accountability for our decisions and service outcomes.

Teamwork: Communicate openly and have respect for each and every individual on the team.

Resourcefulness: Work together to develop solutions which meet the needs of our customers.

Caring: Embrace a duty of care for our staff, our customers and the communities (including public roads) in which we operate.

Innovation: Lead our industry by developing and adopting new technologies and safety measures.

Passion: Be proud, enthusiastic, patriotic and dedicated in everything we do.

Safety: Lead by actions that show we are leaders in safety culture and behaviors that eliminate risk of injury or illness to the lowest practicable level for everyone.
